

# Colombia Trip Update

**By Mike Osminski**

Brethren & Intercessors,

Thank you for praying for the Masterbuilders team that held the recent leadership conference in the cities of Manizales & Pereira in the nation of Colombia (we returned to the States just in time for Thanksgiving). The conferences were successful in both cities.

We met with pastors & leaders of the churches in both cities for a week of training in the areas of relationship of leaders to the Lord, ministry to the church, ministry to the world, and family relations. This was the first time that we had been to Pereira, after having been to Manizales a number of times previously. We had established good relationships with the pastors and churches in Manizales; we were hoping to duplicate that in Pereira. It would appear that we were successful in the endeavor, as we deepened our commitment to Manizales and were received with joy in Pereira.

Colombia is a nation perched on the brink of a significant move of the Spirit of God, and it is our desire to come alongside the church there and assist it for this move. The doors have opened in these two cities; hopefully we can continue build a successful partnership with the churches in those locations as well as in other cities of that nation.

We would like to thank brother Steve Fatow, whose evangelistic campaigns are the reason for the doors of opportunity opening in these cities. Steve has laid a foundation of cooperation among the national churches, and so the cooperation and relationships already exist before the rest of the Masterbuilders team comes in for leadership training.

Thank you for your faithful intercession and support for us during the trip. I believe that the word of the Lord went forth in clarity, power, and authority in the declaration of the Lord's heart and purposes. Please continue to pray for the church in Colombia that she would rise up in the full anointing and purpose to accomplish her destiny in the Lord.

IN CHRIST,

Mike Osminski (for the Masterbuilders team)
