## **CHURCH PLANTING TRAINING EVENT *for pastors from rural Haitian mountain communities***

**Every year, Pastor Luc Saint Felix hosts a conference in his local church for pastors that come from the rural mountain areas of Haiti.**

**He provides for lodging, meals and transportation for those who cannot afford to participate.**

**Many of these pastors are from communities that were hit hard by last year's storms and received the food relief provided through your donations.**

**We now have the opportunity to assist Pastor Luc in providing them with training and encouragement for planting new churches.**

**The training event is scheduled for June 10-12.**

**Please help with an offering of any amount.**

**Tax deductible donations should be designated for Haiti CP Training and mailed to:**

Missions Without Borders

16411 Whistling Pines Rd.

Umatilla, FL. 32784

**100% of all donations will be directed towards the cost of the conference**
